

DELEGATE BAMBERGER: How about "establish" in line 4?

DELEGATE PENNIMAN: I think "establish" is safe enough. I do not think the word "prescribe" necessarily precludes the use of another word if it is also descriptive.

THE PRESIDENT: I am not sure I followed you. Are you suggesting that in line 4 on page 2 the word "establish" be changed to "prescribe"?

DELEGATE PENNIMAN: This is line 4?

THE PRESIDENT: Line 4 on page 2. I think you could use "prescribe" instead of "establish" there, too, but I was not clear whether you were saying you recommended that or not.

DELEGATE PENNIMAN: It should be "prescribe" there, you are quite right.

THE PRESIDENT: Also in line 49 on the same page?

DELEGATE BAMBERGER: And line 21.

DELEGATE PENNIMAN: Yes.

THE PRESIDENT: And line 21.

DELEGATE BAMBERGER: And also line 10.

DELEGATE PENNIMAN: And also line 10, that is right.

THE PRESIDENT: For what purpose does Delegate Marion rise?

DELEGATE MARION: I was not sure whether Chairman Penniman mentioned the insertion of the word "a" in line 21 on page 2. The "s" on "requirements" in line 22 is deleted, although it is hard to see it, and in typing the word "a" was omitted between "establish" and "lesser".

THE PRESIDENT: Where does the "a" go?

DELEGATE MARION: Between "establish" —

DELEGATE PENNIMAN: Now between "prescribe" and "lesser" on line 21.

THE PRESIDENT: Is this a new word or a typographical omission of what was there?

DELEGATE PENNIMAN: It is an omission.

THE PRESIDENT: I assume it is a new word judging by what was there before, the italicized, in other words.

DELEGATE PENNIMAN: Yes, I am sorry. It should be italicized. That is correct.

THE PRESIDENT: Is there an objection to considering the Committee's amendments to make these changes to substitute for the word "establish" the word "prescribe" in lines 4, 10, 21 and 49, and on page 2, to add the word "a" after the word "prescribe" in line 21 on page 2, to substitute for the word "provide" the word "prescribe" in line 9 on page 2, in line 24 and line 42 on page 3, and in line 27 on page 5?

Delegate Cardin.

DELEGATE CARDIN: Mr. President, I believe I may have missed something. The word "provide" that we are using is specifically providing uniform administration providing for absentees?

THE PRESIDENT: Where?

DELEGATE CARDIN: On line 14 on page 3, actually it begins with line 11, pages 3, 13, 14, and then "establish by law" on line 17.

THE PRESIDENT: No, that was not intended to be changed.

DELEGATE CARDIN: The "establish by law"?

THE PRESIDENT: In which line?

DELEGATE CARDIN: Line 17.

THE PRESIDENT: Yes, I assume that would be.

DELEGATE PENNIMAN: That would be, yes.

THE PRESIDENT: On line 17, page 3, substitute the word "prescribe" for the word "establish".

Delegate Cardin, what were the others? On line 10, the word "establish"? I take it that you did not intend to use "prescribe" there, Delegate Penniman?

DELEGATE PENNIMAN: No, I did not.

DELEGATE CARDIN: And line 21?

THE PRESIDENT: On line 21, I assume you do intend —

DELEGATE PENNIMAN: We do intend to use it for "establish", yes.

THE PRESIDENT: You do intend to use "prescribe" there in line 21?

DELEGATE PENNIMAN: That is correct.
